

Jakarta, 21 July 2021

To all bid participants,
and all others that may have concern

We thank you all the institutions which have submitted their proposal in response to IESR's **Request for Proposal - Virtual Event Conference Organizer & Production Indonesia Energy Transition Dialogue (IETD) 2021**. As of 29 June 2021, we have received proposal from 9 (nine different institutions).

We want to notify that the evaluation process took longer than we first anticipated due to the complexity of the services required by and offered to us in the proposals. With all things considered, we hereby announced that **PT Werkudara Nirwana Sakti** received best qualification and won the bid.

This announcement is made as part of IESR's commitment in promoting transparency and accountability in the bidding process.

With best regards,

Deon Arinaldo

Energy Transformation Program Manager
