

Job Vacancy

Position: Energy Economist
Department: Research Group

About IESR

Institute for Essential Services Reform (IESR) is a think-tank in the field of energy and environment. IESR aims at the transformation into a low carbon energy system by advocating a public policy that rests on data-driven and scientific studies, conducting capacity development assistance, and establishing strategic partnerships with non-governmental actors.

IESR is seeking an experienced and dynamic individual to conduct analysis and research in energy economics and finance.

Duties and Responsibilities

- Research, interpret, and publish reports, analyses, and commentaries on Indonesia energy sectors
- Analyze the economics of renewable energy projects and energy transition cost.
- Assess financial flow and investment performance to support energy transition in Indonesia
- Conduct financial analysis, financial modelling, and market analysis in Excel.
- Create and update PowerPoint presentations for public, media, government, and industry briefings.
- Contribute to the IESR's annual flagship report on energy transition.

Requirement

- University degree in economics, finance, or engineering, sciences with strong finance or economics background.
- Advanced degree is a preferred, Doctorate or PhD is an advantage.
- A minimum of 2 years working experience.
- Advance with excel.
- Able to complete the contract within prescribed time.

Competencies

- Experience analyzing financial statements, investment portfolios, and equities.
- Knowledge or experience in the energy market.
- Knowledge or experience with renewable energy projects.
- Ability to communicate and collaborate effectively with a diverse partner and job functions.
- Excellent in organizational and interpersonal skills.
- Ability to multitask, work independently and collaboratively to meet deadlines.
- Proficient in English both written and verbal.
- Excellent in MS Office software.

- Understanding of scientific data collection and data analysis tools is an advantage.
- Professional and a can-do attitude.

Duration

3 years (immediate starting in February 2023) with possible contract extension.

Salary

Salary and benefits are competitive and will be commensurate with candidate's qualification and experiences.

Interested and qualified applicants could send:

- CV and IESR application form;
- A cover letter with a brief paragraph addressing the selection criteria and motivation to work at the the think tank;
- References, minimum 2 contacts
- Send your application and supporting documents to hrd@iesr.or.id at the latest on 31 January 2023.
