

Job Vacancy

Position: Project Officer Sustainable Energy Transition Indonesia

About IESR

Institute for Essential Services Reform (IESR) is a think-tank in the field of energy and environment. IESR encourages transformation into a low-carbon energy system by advocating a public policy that rests on data-driven and scientific studies, conducting capacity development assistance, and establishing strategic partnerships with non-governmental actors.

IESR is seeking an experienced, passionate, and dynamic individual to deliver work and activities for a new project on Sustainable Energy Transition Indonesia (SETI)

About the Project

The project supports Indonesia's endeavor to decarbonize energy-intensive industries through integrated renewable energy and energy efficiency solutions. This project is delivered by a collaboration of several institutions and will support an inclusive policy-making process for the development of a regulatory framework and financing support mechanism.

Duties and Responsibilities

The Project Officer is responsible for the technical implementation of activities and day-to-day coordination with project partners and other stakeholders and handling administrative matters of the project. Project Officer reports to and get direction from Project Manager.

Requirement

- University degrees from relevant disciplines such as Industrial Engineering, Environmental Science/Engineering, Electronics Engineering, Physics Engineering, Energy Engineering, another relevant engineering, and Economics/Finance from reputable universities. An advanced degree is an advantage.
- A minimum of 2 years of working experience.
- Able to complete the contract within the prescribed time.

Competencies

- Good understanding of renewable energy and energy efficiency measures
- Ability to communicate and collaborate effectively with diverse partners and job functions.
- Excellent organizational and interpersonal skills.
- Ability to multitask, and work independently and collaboratively to meet deadlines.
- Proficient in English both written and verbal.
- Good writing skill
- Excellent in MS Office software.
- Understanding scientific data collection and data analysis tool is an advantage.

- Professional and a can-do attitude.

Duration

3 years (immediate starting in July 2023) with a possible contract extension.

Salary

Salary and benefits are competitive and will be commensurate with candidate's qualification and experiences.

Interested and qualified applicants could send:

- CV and IESR application form;
- A cover letter with a brief paragraph addressing the selection criteria;
- Related portfolio(s) (if you have one)
- Send your application and supporting documents to hrd@iesr.or.id at the latest on 31 May 2023
