**Tender Evaluation Results for
Planning and Monitoring for Ecotourism Area Development -
Galang Ekowisata Biru Project Cirebon**

To all bid participants and all others that may have concerns,

We appreciate all the institutions that responded to IESR's Request for Proposals (RFP) **Planning and Monitoring for Ecotourism Area Development - Galang Ekowisata Biru Project Cirebon** by submitting proposals and following the selection process. As part of the initial phase of our selection process, we received bids from two (2) different institutions by September 4, 2023. Then we move on to the second step of the internal selection process, and finally, by 22 December 2023, we had a winning tender selection process.

We wish to inform you that the evaluation process has been conducted in compliance with the RFP's protocol and timeline. As a result of our team's examination, we are pleased to inform you that **Ikamat** has been selected as the winning bidder for the project.

This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

With best regards,

IESR
