

**Tender Evaluation Results for  
Hybrid Event Organizer - Breaking the Walls: Indonesia's Future on Solar Energy and  
Storage Innovations**  
Jakarta, 27 September 2024

To all bid participants and all others that may have concerns,

We extend our heartfelt gratitude to all institutions that submitted proposals for the RFP **Hybrid Event Organizer - Breaking the Walls: Indonesia's Future on Solar Energy and Storage Innovations**, organized by the Institute for Essential Services Reform (IESR). Your contributions have been invaluable in advancing event production in Indonesia's Energy Transition.

As part of the selection process, we received bids from different institutions by Monday, September 23, 2024.

We wish to inform you that the evaluation process has been conducted in compliance with the RFP's protocol and timeline. As a result of our team's examination, we are pleased to inform you that the winner of this tender has been selected for a Hybrid Event Organizer for this activity.

- **Winner** : Eventy
- **Total Score** : 81.36/100

We commend Eventy Event Organizer for their outstanding proposal, which demonstrated excellence in event production and aligned with the value that we are looking for.

To all other participants, we appreciate your dedication and effort. Your submissions enriched the selection process, and we encourage you to continue contributing to the further collaboration space. The IESR remains committed to fostering collaboration and excellence. We look forward to future endeavors together.

This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

Thank you for being part of this exciting journey.

With best regards,

**IESR**
