

Tender Evaluation Results for Consultancy Services for *Analisis Dampak Jelajah Energi*

Jakarta, 16 June 2025

To all bid participants and all others that may have concerns,

We extend our heartfelt gratitude to all institutions that submitted proposals for the RFP *Analisis Dampak Jelajah Energi*, organized by the Institute for Essential Services Reform (IESR).

As part of the selection process, we received bids from 2 (two) different institutions by Friday, 13 June 2025.

We would like to inform you that the evaluation process has been completed in accordance with the protocol set forth in the RFP. Following a thorough review by our team, we are pleased to announce the selected winner for this activity:

- Winner : Senang Ekosistem Indonesia
- Total Score : 84.0/100

We commend **Senang Ekosistem Indonesia** for their proposal, which effectively supports the project's objectives and demonstrates alignment in the work plan, schedule, and team composition.

To all other participants, we appreciate your dedication and effort. Your submissions enriched the selection process, and we encourage you to continue contributing to the further collaboration space. IESR remains committed to fostering collaboration and excellence. We look forward to future endeavors together.

This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

Thank you for being part of this exciting journey.

Regards,

Marlistya Citraningrum

Program Manager
