

**Tender Evaluation Results for
Request for Proposal (RFP) Hybrid Conference Organizer Dissemination Roadmap for
Solar PV Industry Supply Chain in Indonesia**
Jakarta, July 25, 2025

To all bid participants and all others that may have concerns,

We extend our heartfelt gratitude to all institutions that submitted proposals for the **Hybrid Conference Organizer Dissemination Roadmap for Solar PV Industry Supply Chain in Indonesia**, organized by the Institute for Essential Services Reform (IESR).

As part of the selection process, we received bids from several different institutions by July 21, 2025.

We wish to inform you that the evaluation process has been conducted in compliance with the RFP's protocol and timeline. As a result of our team's examination, we are pleased to inform you that the winner of this tender has been selected for a project for Hybrid Conference Organizer Dissemination Roadmap for Solar PV Industry Supply Chain in Indonesia.

- **Winner** : Evoria
- **Total Score** : 86.62

We commend Evoria for their outstanding proposal, which demonstrated excellence alignment with the dissemination conference needs.

To all other participants, we appreciate your dedication and effort. Your submissions enriched the selection process, and we encourage you to continue contributing to the scientific community. The IESR remains committed to fostering collaboration and excellence. We look forward to future endeavors together.

This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

Thank you for being part of this exciting journey.

With best regards,

Marlistya Citraningrum
