

Tender Evaluation Results for

RFP Research Consultant for Alternative Renewable Energy Procurement Strategy for PT PLN to Accelerate Renewable Energy Deployment for Power Sector Transition

Jakarta, September 1, 2025

To all bid participants and all others that may have concerns,

We extend our heartfelt gratitude to all institutions that submitted proposals for the RFP Research Consultant for Alternative Renewable Energy Procurement Strategy for PT PLN to Accelerate Renewable Energy Deployment for Power Sector Transition, organized by the Institute for Essential Services Reform (IESR) under the Green Energy Transition Indonesia (GETI) project.

As part of the selection process, we received bids from 2 (two) different institutions by Wednesday, August 6, 2025.

We would like to inform you that the evaluation process has been completed in accordance with the protocol set forth in the RFP. Following a thorough review by our team, we are pleased to announce the selected winner for this activity:

- Winner : PT Castlerock Consulting
- Total Score : 63/100

We commend **PT Castlerock Consulting** for their proposal, which effectively supports the project's objectives and demonstrates alignment in the work plan, schedule, and team composition.

To all other participants, we appreciate your dedication and effort. Your submissions enriched the selection process, and we encourage you to continue contributing to the further collaboration space. IESR remains committed to fostering collaboration and excellence. We look forward to future endeavors together.

This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

Thank you for being part of this exciting journey.

Best regards,

 Signed by:

Erina Mursanti  **IESR**
