**Bidding Evaluation Result for Request for Proposal (RFP)
National Road Transportation Decarbonization Modelling -
System Dynamics Model Development**

To all bid participants
and all others that may have concerns,

We thank all the institutions and/or individuals who have submitted their proposals in response to IESR's Request for Proposal (RFP) - National Road Transportation Decarbonization Modelling System Dynamics Model Development.

As of October 12th 2025 by 23:59 WIB, we received proposals from 5 (five) institutions:

1. PT Mitra Pembangunan Jaya
2. PT Econova Energi Solusi
3. Sustainable Energy Systems and Policy Research Cluster UI
4. IDL Global Consulting
5. Tasrif Modelling Team

In this regard, we would like to notify you that the evaluation process has proceeded in accordance with internal IESR process. After a thorough evaluation process by our team, we hereby announce that **Tasrif Modelling Team** provided the best qualifications and hence won the bid.

The evaluation process has considered technical and methodology approaches, proposed deliverables, relevant experience and expertise, budget consideration, administration documents, and our encounter during clarification meeting previously we have had with selected bidders proceeding to this stage. This announcement is made as part of IESR's commitment to promoting transparency and accountability in the bidding process.

With best regards,

Signed by:
