

**Tender Evaluation Results for
Research Consultant for Socio-economic study on Domestic Market Obligation
(DMO) and Domestic Price Obligation (DPO) impacts on electricity price, state
revenue, and state expenditure**

Jakarta, 21 October 2025

To all bid participants and all others that may have concerns,

We extend our heartfelt gratitude to all institutions that submitted proposals for the RFP **Research Consultant for Socio-economic study on Domestic Market Obligation (DMO) and Domestic Price Obligation (DPO) impacts on electricity price, state revenue, and state expenditure**, organized by the Institute for Essential Services Reform (IESR). We apologize for the delay between the submission and the announcement of the results, as additional time was required during the evaluation process.

As part of the selection process, we are accepting proposals by Monday, 29 September 2025. Following a thorough evaluation conducted as mentioned on the section 4 and in accordance with the terms and conditions set out in Section 5 of the RFP, we regret to inform that no proposal fully met the mandatory requirements and/or evaluation criteria. Consequently, **no award will be made under this RFP.**

We appreciate the time and resources you invested in responding to this RFP. This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

Thank you for being part of this journey.

Best regards,
