

**Tender Evaluation Results for
Hybrid Conference Organizer and Production for Brown to Green Conference 2025**
Jakarta, November 24, 2025

To all bid participants and all others that may have concerns,

We extend our heartfelt gratitude to all institutions who have expressed their interests and submitted proposals for the RFP **Hybrid Conference Organizer and Production for Brown to Green Conference 2025**, organized by the Institute for Essential Services Reform (IESR). Your contributions have been invaluable in advancing event production in Indonesia's Energy Transition.

As part of the selection process, we received bids from 4 (four) different institutions by November 19, 2025. We wish to inform you that the evaluation process has been conducted in compliance with the RfP's protocol, and only one (1) institution that fits the legal and practical requirements.

We are pleased to inform you that **Eventy ID** complies with the qualifications and requirements needed and is selected as the winner of this tender. The winner will be responsible for Hybrid Conference Organizer and Production for Brown to Green Conference 2025.

We commend Eventy ID for their outstanding proposal, which demonstrated deep understanding and excellence in event production and aligned with the value that we are looking for.

To all participants, we appreciate your dedication and effort. Your submissions enriched the selection process, and we encourage you to continue contributing to the further collaboration space. IESR remains committed to fostering collaboration and excellence. We look forward to future endeavors together.

This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

Thank you for being a part of this exciting journey.

With best regards,

Deon Arinaldo

Program Manager Energy System Transformation
