

## **Tender Evaluation Results for Energy Manager Training and Competency Certification Provider**

Jakarta, 29 January 2026

To all bid participants and all others that may have concerns,

We thank all institutions that submitted proposals for the RFP Energy Manager Training and Competency Certification Provider. We greatly appreciate your patience in waiting for the process to complete. Your contributions greatly impact our effort to help cities decarbonization in Indonesia.

By Monday, January 19, 2026, we received proposals from five (5) different companies/institutions. We were impressed by the quality and depth of expertise of the participating companies/institutions.

Each proposal was evaluated in accordance with the criteria stipulated in the Request for Proposal. Based on the assessment of interview performance and the completeness of the required administrative documents, the five companies/institutions were subsequently ranked as outlined below.

Rank	Name	Score
1	PT Mitra Solusi Energi Berkelanjutan	72.28
2	PT Konservasi Energi Solusi Indonesia	67.36
3	PT Optima Environergi Consulta	65.46
4	PT TUV NORD Indonesia	58.83
5	PT Patrari Jaya Utama	55.19

**PT Mitra Solusi Energi Berkelanjutan** was selected as the winner for this tender. We chose PT Mitra Solusi Energi Berkelanjutan as the winner due to its competitive prices and its offers of 2 alternative vendors for certifications. This provides our team with flexibility on choosing which certification vendor will certify for each batch of our energy manager training and certification activity.

To all other participants, we sincerely appreciate your dedication and hard work. Your outstanding submissions have set a high standard, and we warmly encourage you to participate in IESR's upcoming Request for Proposal. This notification is issued as part of IESR's commitment to encouraging openness and accountability in the bidding process.

**Respectfully yours,**

Signed by:
